

JOB POSTING

Apprenticeship: CNC Machinist (m/f/d)

Apprenticeship · 73547 Lorch · Baden-Württemberg

Start your apprenticeship as a CNC Machinist (m/f/d) at Bock Maschinenbau in Lorch, Baden-Württemberg. You will learn to set up and operate state-of-the-art CNC machining centres – large-part machining with great career prospects.

YOUR RESPONSIBILITIES

- Getting to know and operating CNC milling and turning machines
- Reading and applying technical drawings and workshop plans
- Creating simple CNC programmes under supervision
- Carrying out quality checks using precision measuring tools
- Assisting in the production of individual parts and small batches

YOUR PROFILE

- Good secondary school leaving certificate (GCSE/Realschulabschluss or equivalent)
- Interest in technology, mathematics and hands-on work
- Care, reliability and willingness to learn
- Team player

WHAT TO EXPECT

Training on machines up to 26 m

You train on named CNC centres such as the Zayer Thera W (up to 26 m travel) and the vertical lathe Ø 4,800 mm – one of the largest milling travels and rotary tables in the region.

Real individual parts, not an assembly line

Instead of a series line, you produce individual parts and small batches from batch size 1 to drawing – and create your first CNC programs under guidance on modern Heidenhain controls.

Personal support, a real future

Experienced machinists guide you step by step from the first chip to independent operation – in a company that unites all manufacturing trades under one roof.

WHAT BOCK OFFERS YOU

A secure job in a family-run company

A financially healthy family business for over 60 years – more personal than a large corporation and crisis-proof across many industries (crane construction, vehicle manufacturing, plant engineering, offshore).

Holiday pay & bonus payments

Performance-based pay plus holiday pay and special bonuses.

30 days of holiday a year

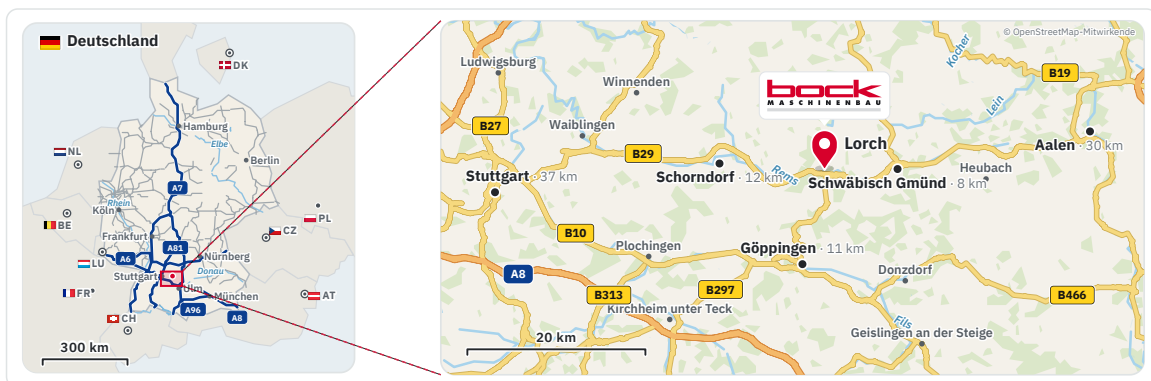

A full 30 days of paid leave every year – real time to recharge, easy to plan.

Pension & capital-forming benefits

We think ahead: a company pension scheme and employer-subsidised capital-forming savings benefits.

LOCATION

Your workplace is located in 73547 Lorch in the Ostalbkreis district, right in the heart of the Stuttgart region. Easily reachable from the surrounding area: Schwäbisch Gmünd, Schorndorf, Aalen, Göppingen and Stuttgart.
