

JOB POSTING

Apprenticeship: Structural Metalworker / Fitter (m/f/d)

Apprenticeship • 73547 Lorch • Baden-Württemberg

Start your apprenticeship as a Structural Metalworker (m/f/d) at Bock Maschinenbau in Lorch, Baden-Württemberg. You will learn steel fabrication, fitting and assembly techniques on real large-scale machinery components.

YOUR RESPONSIBILITIES

- Learning basic metalworking techniques: measuring, marking, sawing, filing, drilling
- Assembly and fitting of steel assemblies to drawings
- Tack welding and assembly with auxiliary welds
- Quality inspection of finished parts and assemblies
- Working in the fitting and assembly department

YOUR PROFILE

- Good school leaving certificate (GCSE/Realschulabschluss or equivalent)
- Technical interest and manual dexterity
- Enjoyment of physical and precise work
- Reliability and team spirit

WHAT TO EXPECT**Real large components up to 50 t**

You work on load-bearing steel assemblies up to 50 tonnes — on real large components in special and heavy machine construction that many companies cannot even move.

**All trades under one roof**

In a company that unites cutting, welding, machining, blasting and painting, you learn steel construction in its full breadth — individual parts and small batches from batch 1 instead of assembly-line monotony.

**Prospects in certified steel construction**

Experienced construction mechanics and fitters guide you personally up to joining quality to DIN EN 1090-2 EXC3 — with clear prospects as a skilled worker in certified heavy steel construction.

WHAT BOCK OFFERS YOU**A secure job in a family-run company**

A financially healthy family business for over 60 years — more personal than a large corporation and crisis-proof across many industries (crane construction, vehicle manufacturing, plant engineering, offshore).

**Holiday pay & bonus payments**

Performance-based pay plus holiday pay and special bonuses.

**30 days of holiday a year**

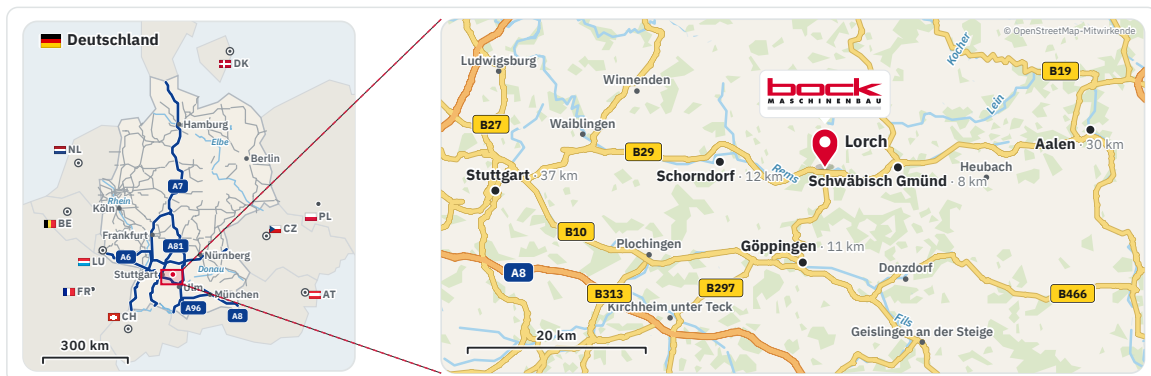

A full 30 days of paid leave every year — real time to recharge, easy to plan.

**Pension & capital-forming benefits**

We think ahead: a company pension scheme and employer-subsidised capital-forming savings benefits.

LOCATION

Your workplace is located in 73547 Lorch in the Ostalbkreis district, right in the heart of the Stuttgart region. Easily reachable from the surrounding area: Schwäbisch Gmünd, Schorndorf, Aalen, Göppingen and Stuttgart.
