

JOB POSTING

Industrial Painter / Shot Blaster (m/f/d)

Full-time · Permanent · 73547 Lorch · Baden-Württemberg

As an Industrial Painter and Shot Blaster (m/f/d), you will carry out shot blasting (Sa 2.5) and industrial painting to EN ISO 12944 in one of southern Germany's largest blast and spray booths – in Lorch, Baden-Württemberg.

RESPONSIBILITIES

- Shot blasting (blast grade Sa 2.5) of steel and machinery components on an open blasting system (Sybrandy)
- Industrial painting to EN ISO 12944 (corrosion protection C3–C5)
- Application of primers, intermediate coats and topcoats
- Painting with paint spray systems (Wagner, Cobra) and Sata spray guns
- Quality inspection: film thickness measurement, adhesion testing
- Part preparation (degreasing, masking)

PROFILE

- Training as a painter/varnisher, vehicle painter or comparable qualification
- Experience in industrial painting (corrosion protection)
- Knowledge of shot blasting and surface preparation is desirable
- Reliable and careful working approach
- Team player with a quality-focused mindset
- Willingness to work a two-shift system

THE ROLE

Blast cleaning in a 25 m blast chamber

You blast-clean welded assemblies to Sa 2.5 – on request up to Sa 3 – on the Sybrandy Vario Primus 45 KE blasting system in a 25 × 7 × 6 m blast chamber.

Industrial coating up to C5-H

You coat heavy components up to 50 t to EN ISO 12944 up to corrosivity category C5-H – applied with Wagner and Cobra paint spraying systems and Sata spray guns.

Blasting and painting from a single source

You take charge of the complete surface: blasted components move without any external company into the identically built paint booth, where you measure every coat thickness and document it to ISO 9001.

WHAT BOCK OFFERS

A permanent job directly with the company

Employed directly by Bock, not through a temp agency – a settled team, a fixed workplace and a long-term perspective instead of changing assignments. A financially healthy family business for over 60 years, crisis-proof across many industries (crane construction, vehicle manufacturing, plant engineering, offshore).

Holiday pay & bonus payment

Performance-based pay plus holiday pay and a special bonus payment.

30 days of holiday a year

A full 30 days of paid leave every year – real time to recharge, easy to plan.

Pension & capital-forming benefits

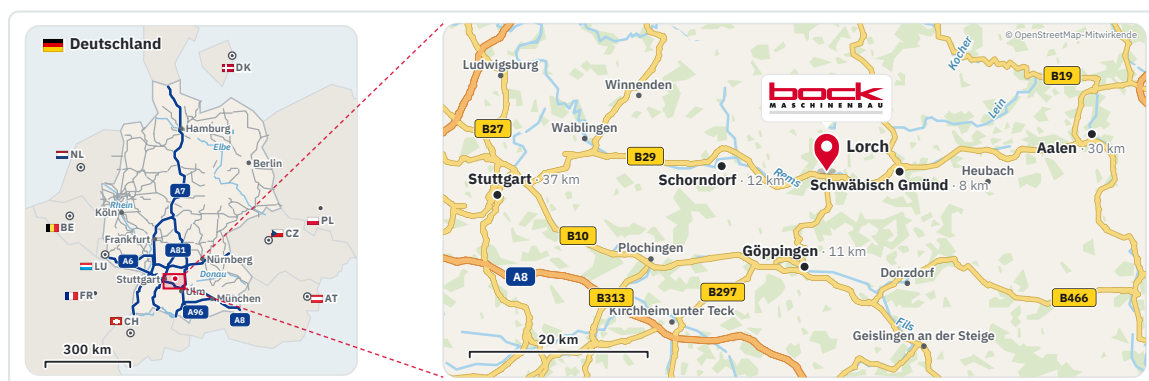

We think ahead: a company pension scheme and employer-subsidised capital-forming savings benefits.

Company health insurance

Additional company-sponsored health insurance – for the well-being of our employees.

LOCATION

The workplace is located in 73547 Lorch in the Ostalbkreis district, right in the heart of the Stuttgart region. Easily reachable from the surrounding area: Schwäbisch Gmünd, Schorndorf, Aalen, Göppingen and Stuttgart.
