

JOB POSTING

Warehouse Operative / Maintenance Technician (m/f/d)

Full-time · Permanent · 73547 Lorch · Baden-Württemberg

As a Warehouse Operative / Maintenance Technician (m/f/d), you will manage the goods store, pick material for production and control inbound and outbound stock in the ERP system – while also servicing and repairing tools, hand machines and production machines, at our site in 73547 Lorch, Ostalbkreis – near Schwäbisch Gmünd.

YOUR RESPONSIBILITIES

- Inbound and outbound handling of goods as well as picking for production
- Managing stock levels in the ERP system (Microsoft Dynamics NAV)
- Issuing consumables to staff and stock disposition
- Managing, servicing and repairing hand machines and tools
- Repairing and servicing production machines and operating equipment
- Documenting and optimising the warehouse processes

YOUR PROFILE

- Completed apprenticeship in a metalworking trade or in warehouse logistics
- Ideally experience in a goods store
- Technical understanding and manual skill for the servicing and repair of machines and tools
- Forklift licence and experience operating industrial trucks
- Confident use of PCs and ERP systems
- Independent, structured and reliable working approach

WHAT TO EXPECT **From goods receipt to dispatch**

You receive goods, inspect them and pick complete production orders through to the dispatch-ready assembly – you keep the flow of material running through the entire works.

 Managing stock in Microsoft Navision

You take independent charge of stocking in and out, inventory management and scheduling in the Microsoft Navision ERP – the warehouse runs through your head, not just the forklift.

 Warehouse worker and maintenance technician in one

You issue tools and hand machines, inspect and repair them and take on the servicing and maintenance of the production machines – technical know-how meets responsibility, two roles in one job.

WHAT BOCK OFFERS YOU **A secure job in a family-run company**

A financially healthy family business for over 60 years – more personal than a large corporation and crisis-proof across many industries (crane construction, vehicle manufacturing, plant engineering, offshore).

 Holiday pay & bonus payments

Performance-based pay plus holiday pay and special bonuses.

 30 days of holiday a year

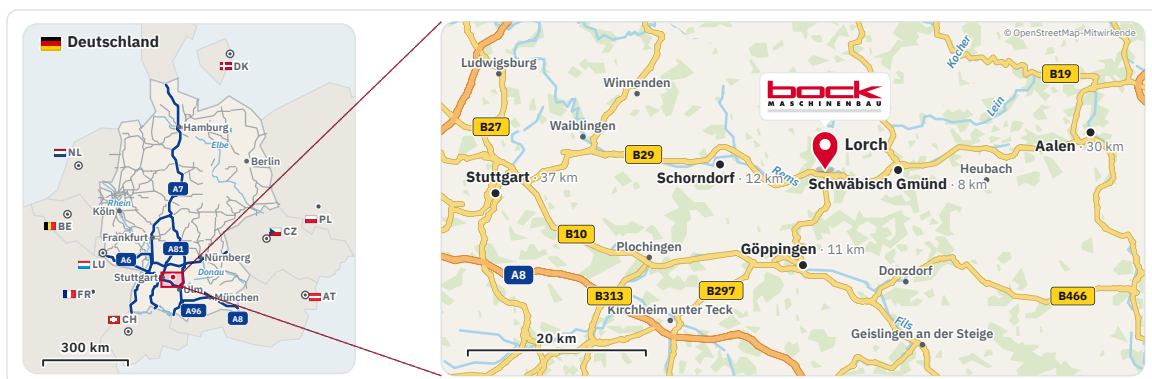

A full 30 days of paid leave every year – real time to recharge, easy to plan.

 Pension & capital-forming benefits

We think ahead: a company pension scheme and employer-subsidised capital-forming savings benefits.

LOCATION

Your workplace is located in 73547 Lorch in the Ostalbkreis district, right in the heart of the Stuttgart region. Easily reachable from the surrounding area: Schwäbisch Gmünd, Schorndorf, Aalen, Göppingen and Stuttgart.
